DEFINITIONS

Contract - the individual deferred variable annuity contract and any optional endorsements you may have selected.

<u>Contract Anniversary</u> – each one-year anniversary of the Contract's Issue Date.

<u>Contract Year</u> – the succeeding twelve months from a Contract's Issue Date and every anniversary. The first Contract Year (Contract Year 0-1) starts on the Contract's Issue Date and extends to, but does not include, the first Contract Anniversary. Subsequent Contract Years start on an anniversary date and extend to, but do not include, the next anniversary date.

For example, if the Issue Date is January 15, 2025, then the end of Contract Year 0-1 would be January 14, 2026, and January 15, 2026, which is the first Contract Anniversary, begins Contract Year 1-2.

Fund – a registered investment company in which an Investment Division of the Separate Account invests.

<u>Investment Division</u> – one of multiple variable options of the Separate Account to allocate your Contract's value, each of which exclusively invests in a different available Fund. The Investment Divisions are called variable because the return on investment is not guaranteed.

Issue Date – the date your Contract is issued.

<u>Jackson</u>, <u>JNL</u>, <u>we</u>, <u>our</u>, <u>or</u> <u>us</u> - Jackson National Life Insurance Company. (We do not capitalize "we," "our," or "us" in the prospectus.)

<u>Owner, you, or your</u> - the natural person or legal entity entitled to exercise all rights and privileges under the Contract. Any reference to the Owner includes any joint Owner.

<u>Premium(s)</u> - considerations paid into the Contract by or on behalf of the Owner.

<u>Separate Account</u> – Jackson National Separate Account - I. The Separate Account is divided into sub-accounts generally referred to as Investment Divisions.

UPDATED INFORMATION ABOUT YOUR CONTRACT

The information in this Updating Summary Prospectus is a summary of certain Contract features that have changed since the prospectus dated April 29, 2024. This may not reflect all of the changes that have occurred since you entered into your Contract.

For Contracts issued before October 21, 2024, the charge is still waived if the Contract Value on the Issue Date or the most recent Contract Quarterly Anniversary is equal to or greater than \$1,000,000. If the Contract Value subsequently drops below \$250,000 (\$1,000,000 for Contracts issued before October 21, 2024) on the most recent Contract Quarterly Anniversary, the charge will be reinstated to \$20 monthly.

	RISKS	Location in Prospectus
Risk of Loss	You can lose money by investing in this Contract.	Principal Risks
Not a Short-Term Investment	This Contract is not designed for short-term investing and is not appropriate for an investor who needs ready access to cash. The benefits of tax deferral also mean the Contract is more beneficial to investors with a long time horizon.	Principal Risks
Risks Associated with Investment Options	 An investment in this Contract is subject to the risk of poor investment performance and can vary depending on the performance of the investment options you choose. Each investment option (Investment Divisions) has its own unique risks. You should review the investment options before making an investment decision. 	Principal Risks
Insurance Company Risks	Any obligations, guarantees, and benefits of the Contract are subject to the claims-paying ability of Jackson. More information about Jackson is available upon request by visiting our website at www.jackson.com or by calling 1-800-644-4565.	Principal Risks
	RESTRICTIONS	
Investments	 We reserve the right to charge \$25 for each transfer when you transfer money between Investment Divisions in excess of 25 times in a Contract Year. Jackson may remove or substitute Funds as investment options available under the Contract. 	Principal Risks
Optional Benefits	 Not all add-on benefits are available through all broker-dealers and may vary by state or date of purchase. We may modify or discontinue an add-on benefit at any time. Under certain circumstances, you may elect to have the advisory fee directly deducted from your Contract Value and automatically transmitted to your third party financial professional, subject to certain administrative rules. If you elect to pay your advisory fees via direct deductions under our rules, these deductions will reduce the basic death benefit. Certain add-on benefits may come with investment restrictions or allocation requirements. 	Benefits Available Under the Contracts
	TAXES	
Tax Implications	 Consult with a tax professional to determine the tax implications of an investment in and purchase payments received under this Contract. If you purchase the Contract through a tax-qualified plan or individual retirement account (IRA), you do not get any additional tax deferral. Earnings on your Contract are taxed at ordinary income tax rates when you withdraw them, and you may have to pay a penalty if you take a withdrawal before age 59 ½. 	Taxes
	CONFLICTS OF INTEREST	
Investment Professional Compensation	Your financial professional or other investment professionals may receive compensation for selling this Contract to you in the form of advisory fees, revenue sharing, and other compensation programs. Accordingly, investment professionals may have a financial incentive to offer or recommend this Contract over another investment.	Distribution of Contracts
Exchanges	Some investment professionals may have a financial incentive to offer you a new contract in place of the one you own. You should only consider exchanging your Contract if you determine, after comparing the features, fees, and risks of both contracts, that it is in your best interest to purchase the new contract rather than continue to own your existing Contract.
