## DEFINITIONS

**Completed Year** - the succeeding twelve months from the date on which we receive a Premium payment. Completed Years specify the years from the date of receipt of the Premium and does not refer to Contract Years.

**Contract** - the individual deferred variable and fixed annuity contract and any optional endorsements you may have selected.

**Contract Anniversary** – each one-year anniversary of the Contract’s Issue Date.

**Contract Enhancement** – a credit that we will make to your Contract Value at the end of any Business Day in the first seven Contract Years (five Contract Years for the 2% Contract Enhancement) during which we receive a Premium payment. The Contract Enhancement endorsements available are the 2% Contract Enhancement endorsement, 3% Contract Enhancement endorsement, 4% Contract Enhancement endorsement, 5% Contract Enhancement endorsement, or 6% Contract Enhancement endorsement. The actual Contract Enhancement percentage applied to the Premium payment varies, depending upon which Contract Enhancement you have elected and the Contract Year in which you make your payment.

**Contract Year** – the succeeding twelve months from a Contract’s Issue Date and every anniversary. The first Contract Year (Contract Year 0-1) starts on the Contract’s Issue Date and extends to, but does not include, the first Contract Anniversary. Subsequent Contract Years start on an anniversary date and extend to, but do not include, the next anniversary date.

For example, if the Issue Date is January 15, 2025, then the end of Contract Year 0-1 would be January 14, 2026, and January 15, 2026, which is the first Contract Anniversary, begins Contract Year 1-2.

**Fixed Account** – part of our General Account to which the Contract Value you allocate is guaranteed to earn a stated rate of return over the specified period. The Fixed Account consists of the Fixed Account Options.

**Fixed Account Option** – a Contract option within the Fixed Account for a specific period under which a stated rate of return will be credited.

**Fund** – a registered investment company in which an Investment Division of the Separate Account invests.

**General Account** – the General Account includes all our assets, including any Contract Value allocated to the Fixed Account, which is available to our creditors.

**Investment Division** – one of multiple variable options of the Separate Account to allocate your Contract’s value, each of which exclusively invests in a different available Fund. The Investment Divisions are called variable because the return on investment is not guaranteed.

**Issue Date** – the date your Contract is issued.

**Jackson, JNL, we, our, or us** - Jackson National Life Insurance Company.

**Owner, you, or your** - the natural person or legal entity entitled to exercise all rights and privileges under the Contract. Any reference to the Owner includes any joint Owner.

**Premium(s)** - considerations paid into the Contract by or on behalf of the Owner.

**Separate Account** – Jackson National Separate Account - I. The Separate Account is divided into sub-accounts generally referred to as Investment Divisions.

## IMPORTANT INFORMATION YOU SHOULD CONSIDER ABOUT THE CONTRACT

	FEES AND EXPENSES	LOCATION IN PROSPECTUS		
<b>Charges for Early Withdrawals</b>	<p>If you withdraw money from your Contract within 7 Complete Years following your last Premium payment, you will be assessed a withdrawal charge. The maximum withdrawal charge is 8.5% of the Remaining Premium withdrawn during the first Completed Year. For example, if you make an early withdrawal within the first Completed Year, you could pay a withdrawal charge of up to \$8,500 on a \$100,000 investment. The withdrawal charge then declines by 1% or 0.5% per year for each additional Completed Year, until the end of the seventh Completed Year, after which no charge is made.</p> <p>In addition, if you have elected an optional Contract Enhancement and then make a partial or total withdrawal from your Contract in the first seven Contract Years (five Contract Years for the 2% Contract Enhancement), you will pay a Contract Enhancement recapture charge that reimburses us for all or part of the Contract Enhancements that we credited to your Contract based on your Premiums.</p>	<p><a href="#">Contract Charges-Transaction Expenses: Withdrawal Charge;</a></p> <p><a href="#">Contract Charges - Optional Benefit Expenses: Contract Enhancement Recapture Charge</a></p>		
<b>Transaction Charges</b>	In addition to withdrawal charges, you also may be charged for other transactions, such as when you transfer cash value between investment options more than 25 times a year, or if you request expedited delivery or wire transfer of funds.	<a href="#">Contract Charges-Transaction Expenses</a>		
<b>Ongoing Fees and Expenses</b> (annual charges)	The table below describes the fees and expenses that you may pay <i>each year</i> , depending on the options you choose. Because your Contract is customizable, the choices you make affect how much you will pay. To help you understand the cost of owning your Contract, the following table shows the lowest and highest cost you could pay each year, based on current charges. Withdrawal charges apply for up to 7 years following your last Premium payment. They will reduce the value of your Contract if you withdraw money during that time. The benefits of tax deferral and living benefit protections also mean the Contract is more beneficial to investors with a long time horizon.		<a href="#"><u>Principal Risks</u></a>

<b>CONFLICTS OF INTEREST</b>		
<b>Investment Professional Compensation</b>	Your financial professional or other investment professionals may receive compensation for selling this Contract to you in the form of commissions, revenue sharing, and other compensation programs. <b>Exchanges</b>	Some investment professionals may have a financial incentive to offer you a new contract in place of the one you own.
